Company Profile

DOC Development, Inc. was created to service others by providing consistent quality, exceptional customer service, and excellent value for the customer. We recognized a need in the medical supply industry for solid distributors who can deliver, and we strive to meet that need everyday. Over the years, DOC Development, Inc. has expanded its line to include Industrial, Janitorial, and Safety products, to meet the needs of a more diverse client base.

Radcliff Quarterman: President

Insurances Accepted: Tricare, Workers Compensation
We gladly accept Credit and Purchase Cards

Core Competencies

Although DOC Development, Inc. has the capacity to service many industries, our company's core competency lies in the Medical Industry. DOC Development, Inc. is a GSA FSS Contract Holder (V797P2103D) which means that we are a preferred supplier to the Federal Government. **DOC Development, Inc. is certified as a Participant in the U.S. Small Business Administration's (SBA) 8(a) Business Development Program.** DOC Development, Inc. is also a Prime Vendor for Cardinal Health. Some of our Products include, but are not limited to:

- CPAP Filters and Tubing
- Emergency Relief Kits
- Podiatry Drills and Accessories
- Commercial and Residential Platform Lifts
- Stair Lifts and Vehicle Lifts
- Durable Medical Equipment (Beds, Wheelchairs, Walkers, etc.)
- Biopsy Needles
- Glucose Monitor Systems
- Laboratory Equipment and Supplies

Past Performance

DOC Development, Inc. has experience in supplying diverse branches of government throughout the country including Federal, State, and Local. DOC Development, Inc is a FSS supplier of American and Foreign based manufacturers which are compliant with the US Free Trade Agreement. We have two strategic supply locations in the Southeast, and a 70/30 Stock and Drop Ship arrangements with all of our manufacturers to meet and exceed the needs of our clients. We have also formed partnerships to provide Installation Services that require Licensed Mechanics to provide services such as Commercial and Residential Elevators, Stair and Vehicle Lifts, and Mobility Equipment Repair.

Differentiators

DOC Development, Inc. is proud to have set itself apart from conventional Medical Supply providers by utilizing our relationships with many manufacturers to provide quality care to our growing customer base. DOC Development has forged a relationship with *Medicool Health and Beauty*, which allows DOC Development to provide excellent **Podiatry Drills** and accessories. The drills utilize vacuum and hepa-filter technology to minimize airborne particles during use. *AG Industries* also has partnered with DOC Development to service the CPAP user with vital replacement respiratory items such as **Masks, Tubing, Filters, and Comfort Items** to help the user get a much deserved rest.

Product Line Card

DOC Development ensures that clients receive the highest quality products available in the market. We have successfully partnered with leading manufacturers to make certain that when you do business with us, you will receive fair and reasonable pricing. We are a leader in volume purchasing so the savings that we receive are passed to your bottom line. If you do not see the manufacturer or product you are looking for, please contact us. We are adding new products everyday!
